Cupido was last seen dropping her daughter off at Tishomingo County High School in the vicinity of the 700 block of Highway 72 in Iuka, Mississippi on October 21, 2004. Her daughter said Cupido was behaving normally that morning and promised to pick her up after school was over.

Cupido never picked her daughter up as scheduled and has never been heard from again. Her silver two-door 2001 Kia Sportage was later found abandoned behind a the Apostolic Church on Highway 72 East in Iuka. Her family believes she met with foul play, as it is uncharacteristic of her to leave without warning. She was having an extramarital affair at the time of her disappearance; both her husband and her boyfriend took lie detector tests and passed. Cupido's case remains unsolved; the circumstances surrounding her disappearance are unknown.

Some agencies state that Cupido was last seen at the Wooden Nickel Restaurant in Cherokee, Alabama. She is originally from Canada and still has relatives living in that country.
